Re: **Request for Continuing Education Units (CEUs)**
KYTN Water Professionals Conference
Nashville, TN – July 18-21, 2010

Fort Lauderdale

Dear Ms. Faulkner:

Houston

As we discussed this morning, we did not have any Commissioners return information to us after the Water Professionals Conference indicating that they wanted continuing education credit for attending the training event. Since we did not have anything to report, we did not return the forms indicating proof of attendance.
